Verse 1 "There must be some kind of way out of here," said the joker to the thief,
"There's too much confusion, I can't get no relief.
Businessmen, they drink my wine, plowmen dig my earth,
None of them along the line know what any of it is worth.
JH: None will level on the line, nobody offered his word."

(Solos)

Verse 2 "No reason to get excited," the thief, he kindly spoke,
"There are many here among us who feel that life is but a joke.
But you and I, we've been through that, and this is not our fate,
So let us not talk falsely now, the hour is getting late."

(Solos)

Verse 3 All along the watchtower, princes kept the view
While all the women came and went, barefoot servants, too.
Outside in the cold distance a wildcat did growl,
Two riders were approaching, and the wind began to howl. Yeah, Yeah.

Verse 2 You may be Saturday's child all grown Movin' with pinch of grace

You may be a clown in the burying ground Or just another pretty face

You may be the fate of Ophelia Sleepin' and perchance to dream

Honest to the point of recklessness Self-centered to the extreme

Verse 3 Ain't nobody messin' with you but you Your friends are getting most concerned

Loose with the truth baby, it's your fire Baby, I hope you don't get burned

When the smoke has cleared she said, That's what she said to me

Gonna want a bed to lay your head And a little sympathy

D G E

Bridge There are things you can replace And others you can not

D G
The time has come to weigh those things

E
This space is getting hot

Bm A E
You know this space is getting hot.

Verse 4 I told Althea I'm a roving sign And I was born to be a bachelor

Althea told me, OK, that's fine So now I'm tryin' to catch her

Can't talk to you without talkin' to me We're guilty of the same old thing

Thinkin' a lot about less and less And forgetting the love we bring

I'm stuck in Folsom Prison and time keeps draggin' on
But that train keeps a rollin' on down to San Antone

always be a good boy; don't ever play with guns".
But I shot a man in Reno, just to watch him die
When I hear that whistle blowin' I hang my head and cry
3. I bet there's rich folks eating from a fancy dining car
They're probably drinking coffee and smokin' big cigars
Well, I know I had it comin', I know I can't be free
But those people keep a movin' and that's what tortures me
4. Well, if they freed me from this prison, if that railroad train was mine
I bet I'd move it on a little farther down the line
Far from Folsom Prison, that's where I want to stay
And I'd let that lonesome whistle blow my blues away

Hotel California

Artist: Eagles

Key: Am

Book: Electric, Americana

(Intro: verse 2x)

Am

1. On a dark desert highway

E

Cool wind in my hair

G

Warm smell of a colitas

D

Rising up through the air.

F

Up a head in the distance,

C

I saw shimmering light

Dm

My head grew heavy and my sight grew dim

E

I had to stop for the night.

2. There she stood in the door way

I heard the mission bell

I was thinking to myself

This could be heaven or this could be hell.

Then she lit up a candle

And she showed me the way

There were voices down the corridor

I thought I heard them say:

F

C

- ch. Welcome to the Hotel California.

E7

Am

Such a lovely place, such a lovely face.

F

C

Plenty of the room at the Hotel California

Dm

E7

Any time of year, you can find it here.

3. Her mind is Tiffany-twisted

She got the Mercedes Benz

She got a lot of pretty, pretty boys

That she calls friends.

How they danced in the courtyard

Sweet summer sweat

Some dance to remember

Some dance to forget.

4. So I called up the Captain,

“Please bring me my wine.” He said,

“We haven’t had that spirit here

Since 1969.”

And still those voices are calling

From faraway

Wake you up in the middle of the night

Just to hear them say:

- ch. Welcome to the Hotel California.

Such a lovely place, such a lovely face.

They’re living it up at the Hotel California

What a nice surprise, bring your alibis.

5. Mirrors on the ceiling

Pink champagne on ice, and she said,

“We are all just prisoners here

Of our own device.”

And in the master’s chambers

They gathered for the feast

They stab it with their steely knives

But they just can’t kill the beast.

6. Last thing I remember

I was running for the door

I had to find the passage back

To the place I was before.

“Relax”, said the night man,

“We are programmed to receive.

You can check out any time you like,

But you can never leave.”

(guitar leads repeats over verse 4x then fade.)

Me & My Uncle

Artist: Grateful Dead

Key: Em

Book: Electric, Americana

(Intro:)

| Em // B7 | x4

1. Well, me & my uncle went ridin' down
South Colorado, west Texas bound
We stopped over in Sante Fe
That bein' the point just about half-way
And you know it was the hottest part of the day
2. I took the horses up to the stalls
Went to the barroom, ordered drinks for all
Three days in the saddle, you know my body hurt
It bein' summer, I took off my shirt
And I tried to wash off some of that dusty dirt.
3. West Texas cowboys, they's all around,
With liquor and money, they's loaded down,
So soon after pay day, you know it seemed a shame
You know my uncle, he starts a friendly game
High, Low, Jack, and the winner takes the hand.
4. My uncle started winnin', cowboys got sore
One of them called him, and then two more,
Accused him of cheatin', now I know, it couldn't be
I know my uncle, and he's as honest as me
Yeah, and I'm as honest as a Denver man can be.
5. So one of them cowboys, he starts to draw,
I shot him down Lord, he never saw,
Shot me another, that man, he won't grow old.
In the confusion, my uncle grabbed the gold
And we high-tailed it down to Mexico
Now, all those cowboys, out of their gold
Loved my uncle, God rest his soul
Taught me good, Lord, taught me all I know
Taught me so well, I grabbed that gold
And I left his dead-ass layin' by the side of the road.

Key: G

Book: Americana, Electric

(Intro: (Verse Chords))

with the gold of sunshine
And my tunes were played
on the harp unstrung
Would you hear my voice
come through the music
Would you hold it near
as it were your own?
2. It's a hand-me-down, the thoughts are broken
Perhaps they're better left unsung

Let there be songs to fill the air

3. Reach out your hand if your cup be empty
If your cup is full may it be again

Between the dawn and the dark of night
And if you go no one may follow
That path is for your steps alone
- ch. Ripple in still water
When there is no pebble tossed
Nor wind to blow

But if you fall you fall alone
If you should stand then who's to guide you?
If I knew the way I would take you home

Do you want to learn about the CAGED system?

Every hear a wonderful solo and thought it was magic? Well, it isn't, but it is patterns and practice (lots of practice!)

Dr. Molly Miller, Professor of Studio Guitar at USC, released a wonderful Masterclass style YouTube video via Pickup Music.

The video is 1.5 hours. It is a video that you watch a small section, then practice that section... a lot. Then watch a little bit more and practice.... a lot more!

The CAGED system for guitar explained: <https://www.youtube.com/watch?v=-nphFK6HFjY>
